We will take these products out of our program and cannot offer them anymore. The background is the discontinuation of electronic components and the touch by the manufacturers.

Last Time Order

Because of a Last Time Buy of some components there is the possibility to order terminals until 31.12.2021.

Last Time Shipment

Shipment will be finished until 30.06.2022 latest.

Service

Our service department will proceed to maintain and repair your claims, if the required replacement components are available.

Replacement

With our OPUS A6 Generation 2 we have a replacement available. If you have any questions, please contact your responsible sales-person.

Please tell us your over-all demand of the mentioned products until 31.12.2021.

If you have any questions, please don't hesitate to contact dl-opus-order@topcon.com or your responsible sales-person.

Best regards
