

Product Change Notification

PCN-Number / Rev / Date 43955 / 1 / 30.07.2020

Category / change type SWFW software / SOFTW Change of software / MINOR

Summary TCG-4 UBoot with password protection

Motivation, trigger Set UBoot password for all TCG-4

Details of change Each TCG-4 UBoot is locked with an automatically created individual password according to our security guidelines.
A strong UBoot password prevents the system from unauthorized access.

Alert impact You have the possibility to define one password for all devices, delivered to you. We will record your specific password and flash it in our production on each of your ordered TCG-4.
Delivery of TCG-4 with u-boot password

Effective date 01.05.2020

Company STW TECHNIC, LP
