

Product Change Notification

PCN-Number / Rev / Date	44698 / 5 / 13.07.2021
Category / change type	ELME electro mechanical parts / MATER Material / MINOR
Summary	Due to line and process changes in the manufacture of the measuring cell installed in your products, a new type designation for the measuring cell is required.
Motivation, trigger	Expansion of measuring cell production capacity to reduce fabrication times
Details of change	Standardization or consolidation of different manufacturing processes in the production of measuring cells.
Effective date	01.10.2021
(Re-)qualification	Extensive qualification secured the modifications in the process, both in the laboratory and in a field test.
Company	STW TECHNIC, LP
Comments / objections to	sales.stw@wiedemann-group.com
Feedback expected until	03.09.2021

Comments or objections are expected before, otherwise this PCN/PDN will become effective without further notification.

If you need further assistance, you may also contact your local sales representative or our sales department. STW shall not be held liable if this notification is not correctly distributed within your organization.
