Category / change type ACEL active components / PDN Discontinuation / MAJOR
Summary Availability of ESX-IOX with CAN-wakeup is limited
Motivation, trigger Status of ESX-IOX with CAN-wakeup changed to discontinued
Details of change Recently the vendor of the CAN-transceiver CF175 with wakeup for the ESX-IOX has issued a PTN (product termination notification) and offered a last time buy of this component.

The status of the ESX-IOX with CAN-wakeup will therefore be changed to "discontinued".

If the CAN wakeup functionality is not needed, there are optional variants without this function further available.
Therefore please contact your local sales representative or our sales department.

For the part numbers with needed CAN-wakeup functionallity please send us your LTB quantities.
